Fud "Hello folks, and welcome to the Fudders and Dork show.....The place where we aren't afraid to answer *all* those hard questions...."

Dork "...That nobody else will touch"

Fud "And tonight we're going to wade into a debate that has vexed politicians...."

Dork "...And the general public..."

Fud "...For a long...long...time."

Dork "And we're going to ask..."

Fud "Should Marijuana be legalised?"

Dork "And to kick the ball off we have some letters sent in by our audience."

Fud "The first one is from Elaine...and I quote..."If they legalize Marijuana they should legalise everything else too....I mean why not legalise speeding?"....what do you think Dorkey?"

Dork "I think it's a great idea!"

Fud "Yeah...me too!....Imagine zipping down the motorway at a hundred and fifty...wind whistling through your hair...."

Dork "Smoking Marijuana."

Fud "Yeah!"

Dork "It's an excellent idea Elaine....So...We'll hand your letter on to the local M.P....And get him to present it to Parliament!"

Fud (To Dork) "And what else?"

Dork "We have a letter here from Toby...."(to Fud) "...No relation!....And he writes...should Marijuana be legalised?...No! No! No! No! No! No!....and No!"

Fud "So....Um...Does he want a referendum or something?"

Dork "I think so."

Fud "So we'll hand your letter on to the local M.P and see what he can do about that too.

Dork "I brought this with me too...."(pulling a cigarette from his pocket.) "...To help us with the debate.."

Fud "What's that?"

Dork "You know?"

Fud "What?"

Dork "You know?"

Fud "Marijuana?"

Dork "Yes!"

Fud "You can't bring *that* into the studio!"

Dork "Why not?"

Fud "Because it's illegal."

Dork "Oops....My bad!.." (Putting it back in his pocket.)..."You didn't hear that folks."

Fud "Ok....And what else have you got there?"

Dork "A lot more letters....Half of them are for it....And the other half want tougher penalties."

Fud "Well...You can't please everyone can you?"

Dork "No!...So this debate can never be decided?"

Fud "It could if we could find a consensus."

Dork "What?...like something that would please everyone?"

Fud "Yes"

Dork "But what like?...Do you mean like saying anyone who wants to smoke it can....And it's legal for them....But anyone who doesn't want to smoke it can't...And for them it's illegal?"

Fud "You're an utter genius Dorkey!"

Dork "I am?"

Fud "Yes you are!....You've just answered the question."

Dork "I have?"

Fud "Yes you have....We'll have to write that down and hand it on to the local M.P too....I don't know how parliament ever got on without us two..."

Silence

Dork "Maybe we should smoke *this* to find out what the fuss is really all about?"

Fud "You mean smoke drugs?"

Dork "Yes....Then we'll know."

Fud "We can....But we're still on air."

Dork "Oops...Ah sorry folks.....You know me...I was only joking...So we've solved the debate and now we'll wrap up the show."

Fud "Bye!"

Dork "Bye!....And we'll see you next week" (turning to Fudders)... "Do you have any matches?"

Fud "No...but I'll go and get some"

Dork "Ok"
