Table and chairs

(Joe, Harriet, Filthy, and Bella are sitting at a table in a restaurant.)

Bell "This is a change isn't it?...Eating at a fancy restaurant?"

Harr "Sure is."

Fil "Joe's only going to turn thirty once...So we should celebrate it in style."

Joe "Yes...I'll drink to that!"

Fil "Me too!"

(They chink their glasses and drink.)

Joe "You know...You look quite pretty today Darl."

Harr "Thank you Joe."

Joe "Why don't you look like that at home?"

Harr "Because I've got six children to look after." (Smiles at Joe.)

Joe "But we've only got four children?"

Harr "Yes...But there's you as well."

Joe "Is that a joke?"

Bell (Laughing) "Yes...It is."

Joe "Where did you park your broomstick?"

Harr "Out the front."

Bell "That isn't a very nice thing to say Joe?"

Joe "I'm only joking!"

Harr "Don't worry...I'm used to it."

Bell "But still...Filthy wouldn't say that to me...Would you?"

Fil "What Dear?"

Bell "Yes..You'd better 'what Dear'...You have to use a stick to train them properly Harriet!"

Joe "Ah...Here comes the food!"

Fil "About time...I'm starving."

Bell "This looks awesome!"

Fil "Sure does."

Joe "Oh...Just taste these potatoes Harriet...They're so crispy on the outside...And soft and fluffy inside...They're just perfect...This is how I want my potatoes cooked from now on."

Harr (Smiles.)

Joe ""Did you try them Darl?"

Harr "Yes...They're very good."

Joe "Oh, the steak!...Try the steak...It's so tender...Oh!...This is how I want my steak from now on...Oh!"

Harr "You'll have to come here every day then."

Joe "Why can't you cook steak like this?...This is awesome."

Harr (Smiles.)

Joe "Why can't you cook like this?"

Harr "Pardon?"

Joe "Why don't you cook like this?"

Harr "If you say that one more time I'll slap you!"

Joe "I was only asking?...Everybody finished? We should order our dessert now."

Fil "Aye Aye!"

Harr "I'll get my glasses from the car...Be back in a minute." (Harriet leaves).

Bell "Harriet's driving away."

Joe "She must've left her glasses at home...She won't be long."

Fil "It's been half an hour...I don't think Harriet's coming back."

Joe "No...She's looking for them...She won't be long."

Fil "It's been an hour Joe...I think you're walking home Mate."

Bell "You're an ass Joe!"

Joe "Why?...What did I say?.....Women!"

End

Narrator "Why did you get married? Was it to have someone to cook your meals just the way you like them? And clean up after you? Or was it to spend your life with the one who you couldn't live without? If you lose your first love, you will end up being two strangers, sharing a house and tolerating each other. So, never lose your first love, and you will never lose your spouse.
